- In this game of chance called life, it often helps to stack the deck in your favor.

Well, here's a video card game that helps you do just that (in a manner of speaking, that is): JOKER-POKER 21.

Other machines give you only one game, but JOKER-POKER 21 gives you two—for the price of one. Which, it stands to reason, doubles your chances of attracting players.

- Players can play both JOKER-POKER and 21 with the same credits

- 19" color monitor
- Automatic ante
- Automatic deal at maximum ante
- Double top-coin chutes
- Full light-up buttons
- Memory battery back-up
- Runaway watchdog circuitry
- Full accounting screens
- Woodgrain all-plywood cabinetry
- Static-free
- Full service manual
- Schematic diagrams
- Trouble shooting guide

#### JOKER-POKER
